FOUNDATION
FRISON HORTA

Help us Restore this national Jewel of Horta through: Donation/Events/Visits

We are excited to announce the launch of Myriad USA, which brings together the expertise of the King Baudouin Foundation United States (KBFUS) and Give2Asia, uniting two longtime partners. KBFUS changed its name to Myriad USA in January 2024, and under this new brand now provides donors with a simple and efficient solution to support nonprofit initiatives around the world. "A Living Museum" Help Protect Heritage of Art Nouveau Horta Frison House Restoration
Preservation and Sharing this Emblematic Sleeping Beauty waking up to its full Glorious Heritage of Art Nouveau from the founding father "Victor Horta". The Horta House revival is much more than the heritage, the bygone era and how to preserve it. And certainly much more than owning a house. The Horta House makes a statement about the future. What kind of Heritage In our cities we want and indeed, what kind of cities we need restoring the rich Heritage of the Past. of Myriad - the Alliance for borderless giving. Finally the House has found a soul that is as high in colour and narrative as its own dramatic origins. The Tale has just begun and we're all waiting for the next chapter, paragraph, word even to be told, to keep us dreaming of exceptional beauty far and near, in the midst of the numbing dullness of everyday city life. Hooray for the enchanted House reclaiming its due, of the jungle marching on Bruxelles, of roots springing to life, of buds piercing the asphalt, of a thousand flowers bloom, of exotic fruits..and the little Mowgli swinging from its branches under the mighty Horta's Spiritual Guidance and Supervision.
